

UNIVERSITY OF BRIGHTON

Your application guide for applying to University of Brighton

Application

- Apply via UCAS
- Shortlisted applicants take a maths test + online interview (MS Teams)
- Interviews held Wednesdays until end of April.

Personal Statement

- Will be referenced in interview (you may be asked to explain parts of it).
- Should show your motivation for Pharmacy, strengths, and relevant experiences.

Interview Format

- Held online via MS Teams.
- Panel: Brighton pharmacy teaching staff (and sometimes an observer)
- Questions include:
 - • Why Pharmacy / why Brighton?
 - • School subjects you've enjoyed.
 - • Examples working in teams / independently.
 - • A pharmacy-related scenario for you to discuss.
- All candidates were asked the same standard questions to keep it fair

Other Requirements

- Must comply with Fitness to Practise (FtP) standards once enrolled.
- Health declaration / checks + disclosure (DBS or equivalent) required.
- Meeting both academic + interview + non-academic checks is needed to receive a final offer.

Entry Requirements

- A-Levels: ABB to BBB, including Chemistry + another science.
- BTEC Extended Diploma (Applied Science): DDM plus A-Level Chemistry (B) required.
- Access to HE Diploma: Pass 60 credits; must include 24 credits Distinction in Biology & Chemistry.
- GCSEs: Minimum grade B / 5 in Maths & English Language
