

# DE MONTFORT UNIVERSITY

Your application guide for applying to De Montfort University

## Application

- Apply via UCAS
- The programme lasts 4 years full-time.
- Interview required (remote via Microsoft Teams)
- Contextual offers may be available (they consider more than just grades)

## Personal Statement

Criteria for personal statements:

- Clear communication
- Relevant content to pharmacy
- Demonstrated interest/motivation
- If applicable, relevant work or life experience is considered.

## Interview Format

Structured interview including:

- Numeracy questions (without calculator).
- Hypothetical / scenario questions to assess values and judgement
- Questions about yourself, your motivations, and interest in pharmacy.
- Before the interview, you'll watch a GPhC video (Standards for Pharmacy Professionals) and be asked questions about it.
- Duration: roughly 15–30 minutes.

## Other Requirements

- DBS check (enhanced).
- Health/occupational clearance before placements.
- Annual self-declarations (fitness to practise).

## Entry Requirements

- A-levels / UCAS: Typical offer around 120 UCAS points (must include Chemistry).
- BTEC: Applied Science (DDM) plus A-level Chemistry (B).
- Access to HE (Science): 120 UCAS points with 15 Chemistry credits at Distinction + 15 other Science credits at Merit.
- GCSEs: English at grade C/4 or above.
