

UNIVERSITY OF BRADFORD

Your application guide for applying to the University of Bradford

Application

- Apply via UCAS (deadline: January).
- Early application = earlier interview (early Nov- late Apr).

Personal Statement

- Personal statement not a major factor in selection.
- Should be about Pharmacy or a related healthcare profession.
- Applicants with a statement for a different course may still be interviewed.
- If offered a place, a new Pharmacy-focused statement would be required.
- University also accepts additional personal statements submitted directly.

Interview Format

- In-person interviews – always held on campus in Bradford.
- Take place on Wednesday afternoons.
- Interview day includes:
 - Welcome talk by the programme leader.
 - Team-based learning exercise with other applicants (assessed).
 - Individual interview with an academic staff member (assessed).
- In the team, they are looking for those who: Work well in a team and contribute meaningfully without dominating discussions.
- In the individual interview, you may be asked to: Name a drug, and explain what it does, describe how it is dispensed or prescribed and outline how it works.

Other Requirements

- Health & DBS checks.
- Fitness to Practise standards (professional behaviour).
- No advanced entry into later years.
- 4-year or 5-year route (5-year includes two 6-month placements).

Entry Requirements

- A-levels: ABB (must include Chemistry or Biology + another science).
- BTEC: DDD in Applied Science (with science/maths units).
- Access to HE: 128 UCAS points, incl. credits in Chemistry/Biology.
- GCSEs: 5 at Grade 4/C or above, incl. English, Maths, 2 Sciences.
